PARENT COACHING, PARENT COORDINATION AND DECISION-MAKER AGREEMENT

We appoint Daniel J. Baur to function as both a Parenting Coordinator and a Decision-Maker ("PC/DM") for us. The terms of this agreement are as follows:

I. Role of the Parenting Coordinator

We, _____ and _____,
hereby appoint Daniel J. Baur to function as our Parenting Coordinator pursuant to
C.R.S. 14-10-128.1.

A. **Court Order:** These services were ordered by the Court on _____.

B. **Functions:** We understand that the primary function of a Parenting Coordinator is to assist us in implementing our parenting plan by helping us resolve our differences regarding our child(ren), minimize conflict between us that could harm the child(ren) and fosters cooperation between us. The Parenting Coordinator may assess the situation and educate us as necessary regarding child development, family dynamics, and communication and facilitate communication between us and with others involved with our child(ren). The Parenting Coordinator may also facilitate negotiations between us, coach on strategies of dealing with the other parent and with the child(ren), and may refer us to other professionals, such as therapists. The Parenting Coordinator is at all times an advocate for the best interests of our child(ren).

C. **Facilitation:** The Parenting Coordinator is a trained and experienced mediator. As Parenting Coordinator he may facilitate decision-making between the parents, but he is not serving as a mediator.

II. Role of the Decision-Maker

We, _____ and _____
hereby appoint Daniel J. Baur to function as our Decision-Maker pursuant to C.R.S.
14-10-128.3

A. **Court Order:** These services were ordered by the Court on _____
pursuant to our agreement.

B. **Functions:** The Decision-Maker shall have binding authority to resolve disputes between us as to implementation or clarification of existing orders concerning

our child(ren), including but not limited to disputes concerning parenting time, specific disputed parental decisions, and child support.

1. Additionally we agree that the Decision-Maker shall have binding authority over the following types of decisions:

2. We agree that the Decision-Maker shall NOT have decision-making authority over the following types of decisions:

C. Decision-Making Process:

1. It is our intent to resolve our issues ourselves through facilitated negotiations. In the event that we are unable to reach a mutually satisfactory resolution of the dispute, we ask that Daniel J. Baur as Decision-Maker decide the issue and make a decision for us based upon the disclosures, communication, and information we have provided him. Mr. Baur shall let us know when the process shifts from facilitated negotiations to decision-making, whether written statements or other information will be required, what the timetable shall be and what, if any, other procedures will be followed prior to Mr. Baur making the decision.

2. We understand that we will not have a separate meeting in the nature of an "arbitration" hearing.

3. Mr. Baur and/or either of us may also request the submission of written statements of position and facts to the Decision-Maker. Either of us may then respond in writing to the other party's statement. The PC/DM shall then review the statements and responses, and any additional information from other sources and issue a written decision regarding the issue.

4. We understand that unilateral withdrawal or non-participation in the parenting coordination and/or decision-making processes shall not prevent the processes from going forward. The PC/DM shall still perform her court-ordered functions and may make a decision on information received from one of us if the other refuses to participate.

5. We understand that Mr. Baur's decisions are binding upon us and effective upon issuance pursuant to the provisions of C.R.S. 14-10-128.3

D. Written Decisions

1. When Mr. Baur makes a decision for us, he shall issue a decision in writing and deliver a copy to each of us and to our respective attorneys, U.S. mail,

postage pre-paid, or by electronic transmission, if requested by us, within 14 days, or at a later date as circumstances may control, from the date of the completion of the session, the receipt of the last written response from a party, or the completion of the DMs consultation with professionals or others.

2. In most cases, the decision sent to us will be a draft decision prior to filing the final decision with the Court. Any request for correction or modification of a draft decision shall be sent in writing, with a copy to the other parent, within seven (7) days of receipt of the draft decision. Corrections may include misspellings, omissions, typographical errors, miscalculations or requests for different wording of positions or agreements. We understand that Mr. Baur very rarely will change the substance of a decision because he will have given the decision much consideration prior to issuing a written decision. The DM's decision shall be binding upon both parties immediately upon issuance of the draft decision, subject to the issuance of the final decision. The Decision shall be filed with the District Court by the DM within twenty (20) days after the final decision is issued. We also authorize the PC/DM to include any agreements between us in a written decision to be filed with the Court.

E. Review of Decision: We understand that we each have the right pursuant to C.R.S. 14-10-128.3 to request that the Court modify the decision and hold a de novo hearing. Any such request must be filed no later than thirty (30) days from the date the final decision is issued.

F. Decision-Maker, Not Arbitrator: Although Mr. Baur is a trained and experienced arbitrator, he is not serving as an arbitrator pursuant to C.R.S 14-10-128.5, but as a Domestic Relations Decision-Maker, a role distinct from arbitrator in Colorado, and as such is not subject to the Uniform Arbitration Act, C.R.S. 13-22-201 et seq.

IV. General Provisions Applying to the Combined Role of the Parenting Coordinator/Decision-Maker ("PC/DM")

A. Confidentiality:

1. The PC/DM does not guarantee confidentiality of written and oral communications, negotiations and statements made by the parties in the course of working together. We understand that Mr Baur will use his discretion in choosing whether sessions shall be joint or individual depending upon the nature of the issues and his assessment of the most productive method to achieve the current goals. The service of the PC/DM may be terminated prior to the end of the term if we both agree that we wish to terminate the PC/DM's service of if the PC/DM requests to withdraw prior to the termination date. A parent or the PC/DM wishing to terminate the professional relationship shall put such request in writing and transmit it by mail to each party to this agreement.
