Professional Opportunity:

Strong Integrated Behavioral Health is excited to announce the establishment of a new Youth and Family Therapy Center at 66 Club Road in Eugene, Oregon.

We are actively recruiting Licensed Psychologists, Marriage and Family Therapists, Clinical Social Workers and Professional Counselors who are interested in working in a collaborative environment providing evidenced-based therapy to children, teens, families and couples. We seek highly skilled clinicians who are enthusiastic about assisting in the start-up of our new center!

Responsibilities include:

- Ability to effectively deliver psychotherapeutic interventions that are evidence-based and can be applied to a wide range of clinical presentations.
- Demonstrated commitment to providing culturally competent services, with an ongoing commitment to training and development in this area.
- Demonstrated ability to accurately document interventions, including charting clinical services, completing written psychological reports, and other professional documentation.
- Commitment to upholding the relevant ethics codes, the Oregon Revised Statutes and the Oregon Administrative Rules overseeing the practice of the provider's discipline.
- Track and complete activities required to maintain a license or contract with relevant licensing board to practice in the State of Oregon.

Qualifications:

- Licensure in Oregon as a Psychologist, LCSW, LPC or LMFT.
- Specialized training and experience providing psychotherapeutic interventions to children, youth, families and couples.
- Proficiency with DSM-5 diagnoses and best practice treatment interventions for a variety of behavioral health conditions.
- Demonstrated ability to establish collaborative interpersonal relationships with clients, families, colleagues, and other professionals.
- Demonstrated commitment to social justice and ability to provide culturally competent services, with an ongoing commitment to training and development in this area.
- Training and experience delivering psychotherapeutic services to primarily children, youth and family clients with a wide range of behavioral health concerns.
- Demonstrated ability to accurately document interventions, including charting on clinical services, completing written reports, and other professional documentation. All documentation must be completed in a timely manner.
- Knowledge and adherence to relevant ethics codes for behavioral health providers, the Oregon Revised Statutes and the Oregon Administrative Rules overseeing the practice of the provider's discipline.
- Complete activities required to maintain licensure in the State of Oregon, in good standing.

Preferred Qualifications:

- Licensed in the state of Oregon 2+ years.
- Specialized trainings, internships, and/or course of study on providing clinical services to children, youth and families.
- Training and/or certification in Parent Child Interaction Therapy (PCIT), Cognitive Behavioral Therapy (CBT), play therapy, Dialectical Behavior Therapy (DBT).
- Experience leading parenting groups, child therapy groups.
- Experience and/or interest in providing clinical supervision.

Compensation:

- Salary is competitive and commensurate with experience.
- \$500 bonus for all new hires who successfully meet licensure/credentialing requirements and sign their contract by January 1st 2020.
- Benefits package for employees working 32+ hours/week includes:
 - o Medical, dental, and vision insurance
 - o Flexible Spending Account
 - o Professional liability insurance
 - o Retirement with employer match
 - o Funding for continuing education and other professional activities
 - o In-service training with CE credits available

Additional benefits include:

- Full administrative support including a billing, scheduling and credentialing team, and front desk reception.
- Flexible scheduling options including evenings, weekends, day-shifts and part-time.
- Well established sources of client referrals from medical & mental health professionals, schools, and other institutions in Lane County.
- Professional office suite located adjacent to a walking and biking path on the Willamette River.
- Convenient location with ample free parking for staff and clients.
- A diverse group of friendly colleagues who enjoy working together and independently.
- Monthly general and topic specific consultation groups.
- Clinical supervision and support as needed.
- Monthly team meetings that include professional trainings and organizational updates.
- Opportunity to provide HIPAA compliant telehealth for those trained and interested in offering these services.

Our Organization:

We welcome qualified professionals to join our innovative, rapidly growing practice in the field behavioral health in Eugene, Oregon. Strong Integrated Behavioral Health is committed to social justice values and provides coordinated outpatient psychotherapy and psychological assessment services for individuals, couples, children, teens, and families at our behavioral health clinics. We offer structured training programs and supervision for behavioral health professionals.

To apply:

Interested applicants should submit a cover letter outlining fit for the position, curriculum vita, and three references to: Teri Strong, PhD, Director, tstrong@strongibh.com. Positions are now available and review of applications to begin immediately.
